

Ref. No. : POLICY DOCUMENT ON THE GREEN CAMPUS / PLASTIC FREE CAMPUS ^{Date :}

Purpose :-

Karnala Sports Academy , Barns College of Arts, Science & Commerce, Panvel aims to create a sustainable and eco-friendly environment by implementing green campus and plastic-free initiatives. Vision for green campus is to make the campus and its surrounding green and clean. Main aim of Clean and Green campus is to adopt, practice and promote environmental friendly practices among students and staff along with generation of Eco-sensitiveness among them and in the world around them. This policy outlines the steps to be taken to achieve this goal.

Scope of the policy:

The policy on green campus includes the following aspects;

- Clean campus & environment friendly campus initiative
- Plantation and preservation of tree initiative
- Plastic free initiative in the campus
- Energy efficiency initiative
- Creating awareness on environment friendly campus
- Efficient waste management initiative

Objectives :-

- To conserve ecological systems.
- To help the students/Faculty understand each individual's responsibility to take an initiative to save the environment.
- To continuously upgrade the efficient use of all resources, including energy and water. and to reduce consumption and the amount of waste produced, recovering and recycling waste where possible.
- To put forward awareness among the students Faculty about the hazards of spoiling the environment.

I/C PRINCIPAL

KSA Barns College of Arts, Sci. & Com.

- To protect and conserve the ecological systems and resources within the college campus
