Management of various types of degradable and non-degradable waste

POLICY DOCUMENT ON MANAGEMENT OF THE VARIOUS TYPES OFF DEGRADABLE AND NON-BIODEGRADABLE WASTES

Karnala Sports Academy , Barns Arts Science and Commerce College, Panvel is committed to manage wastes in such a systematic way so as to minimize its impact on the environment. This document implies to explore various waste management methods to reduce the burden on our environment in order.

The important policy objectives are as follows:

1. To practice 3 R's - reduce, reuse, and recycle wherever possible.
2. To create awareness for reduction of waste production on campus.
3. To follow eco-friendly practices in daily activities and programmes
4. To ban the use of plastic-bags at campus; instead use the bags made out of cloth or some eco-friendly material.
5. Reduce the usage of paper by encouraging techno-centric teaching-learning methods and in administrative office.
6. To develop systematic waste management mechanism.
7. The institution has various committees like Nature Club, Institutional Social Responsibility (ISR) Cell, NSS which organize different green initiative programmes throughout the year.
8. The collection and disposal of all non-biodegradable waste including the e-waste generated in the campus has been outsourced to authorized agencies.

Efforts for E-Waste Management: The life of electronic equipment is extended by appropriate upkeep and minor repairs carried out by laboratory experts and reused on the campus itself.
