POLICY DOCUMENT OF RESEARCH COMMITTEE

This policy document outlines the roles, responsibilities, and procedures of the Research Committee.

Composition:

- The Research Committee shall consist of 7 members.
- The Committee shall appoint a Chairperson from among its members.

Roles and Responsibilities:

- Monitor the progress and outcomes of ongoing research projects.
- Facilitate collaboration and knowledge sharing among researchers within the organization.
- Review and update research policies and procedures as necessary.
- Provide guidance and support to researchers throughout the research process.

Confidentiality and Conflict of Interest:

- Committee members must maintain confidentiality regarding sensitive information related to research proposals and projects.
- Members must declare any potential conflicts of interest that may arise during the evaluation of research proposals and recuse themselves from decision-making processes where necessary.

Review and Revision:

- This policy document shall be reviewed periodically by the Research Committee to ensure its effectiveness and relevance.
- Amendments or revisions to the policy document may be proposed by Committee members and shall be subject to approval by the appropriate authority.

Adherence to Policy:

- All staff and researchers within the organization are required to adhere to the policies and procedures outlined in this document.
- Non-compliance with this policy may result in disciplinary action.

Approval and Implementation:

- This policy document shall be approved by IQAC and disseminated to all relevant stakeholders.
- The Research Committee shall be responsible for implementing and enforcing the provisions of this policy document.
