SCHOLARSHIP AND FREESHIP POLICY

KSA Barnes College of Arts, Science and Commerce, New Panvel

The mission of KSA Barnes College is to serve academically gifted but socioeconomically disadvantaged individuals in higher education. As a part of the Mission, our College supports the students by way of awarding them with scholarships and freeships.

The college makes available to students freeships to ensure that no student is denied the chance because of insufficient funding. Depending on their merit and need, students are awarded freeships. The institution's freeship policy clearly outlines the process for management to award freeships. The policy for awarding scholarships and freeships is as follows:

Policies-

1. The college shall make all efforts to provide scholarships to needy and deserving students.
2. A Scholarship and Freeship Committee has been established by the College, and it will select students for freeship during the academic year. Every year, the Committee creates a financial allocation for this. The Committee keeps track of all relevant records.
3. There are several means of awarding scholarship and freeship to students, which are termed as:
 - (a) Concession from the Management (Freeship)
 - (b) Scholarship for Meritorious Students
 - (c) CIDCO Stipend
